

## RICH 2016 SECOND BULLETIN

August 17, 2016

**Dear Colleagues,**

9th International Workshop on Ring Imaging Cherenkov Detectors (RICH 2016) at Lake Bled will start in less than three weeks from today. Here are some details about the workshop:

**Conference venue:** The Hotel Kompas, where all workshop sessions and exhibitions will take place, is in the center of the resort town Bled located on the shores of the Alpine lake Bled

**Conference registration:** Sunday 18.00 - 20.00, Monday 8.00 – 12.30 and during the coffee breaks at the entrance of Hotel Kompas.

**On-site lunches** can be booked at the registration desk.

**Time table:** detailed timetable, author and contribution lists are available on <https://indico.cern.ch/event/393078/>. Note that very minor changes to the agenda are still possible.

**Poster exhibitions:** will be organized in two groups (A and B). Presentations will take place during coffee breaks in the coffee break hall and will start on Monday afternoon and will finish on Thursday afternoon. The presence of presenters in front of their posters is expected. Poster format should be A0 (841mm × 1189mm).

**Oral presentations:** the regular talk format is 20 minutes for the presentation, 5 minutes for discussion. Review talks are scheduled for a 35 minute presentation and 5 minutes of discussion.

**Social program:**

*Monday:* welcome reception, Hotel Kompas lakeview terrace, 19:00 – 21.00

*Tuesday:* concert at the island, 18:00 – 20:00

*Wednesday afternoon:* excursions – visit to the world-famous Postojna Cave, sightseeing in Ljubljana, the capital of Slovenia, or hiking in the Julian Alps. Hiking will take about 4 hours (with an elevation difference of 600m) and *is recommended for experienced hikers*. The highest point is Debela peč (2015 m). To attend the hike,

hiking shoes, long pants and wind jackets are required. For any additional information please contact us at [info.rich2016@ijs.si](mailto:info.rich2016@ijs.si)

*Thursday evening:* conference dinner at the Bled Castle, 18:30-21:30

Participants are kindly asked to identify themselves with a conference badge at all social events.

**The workshop proceedings** will appear as a special volume in the journal Nuclear Instruments and Methods in Physics Research Section A.

**Exhibition booths** for industrial partners will be organized in the coffee break area

**Workshop details and contacts:**

The RICH 2016 workshop web site (<http://rich2016.ijs.si>) contains more details on the scientific program, access to the venue, accommodation, and information for exhibitors. You can ask any questions about this workshop at [info.rich2016@ijs.si](mailto:info.rich2016@ijs.si)

We are looking forward to welcoming you in Bled!

Sincerely,  
RICH2016 local organizing committee
